

REGIS CORPORATION

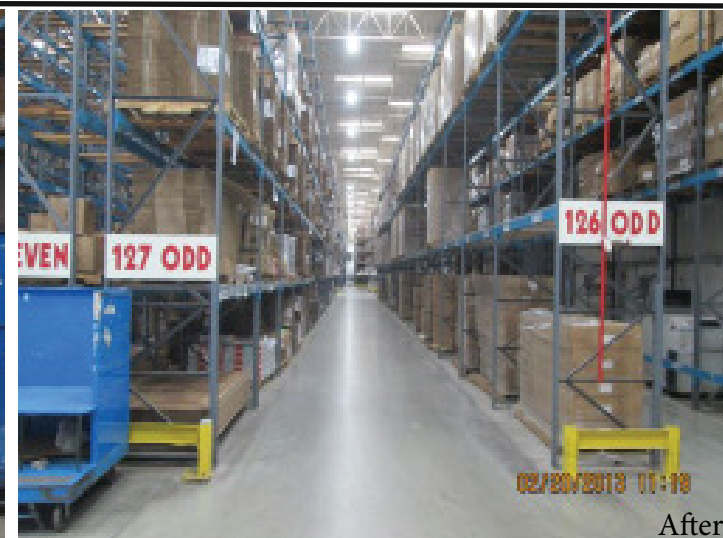

Regis Southeast Distribution :: Chattanooga, Tennessee

Regis Corporation, headquartered in Minneapolis, MN, is the beauty industry's global leader in beauty salons, hair restoration centers and cosmetology education. For more information on Regis Corporation visit www.regiscorp.com.

Project Scope:

Regis Distribution replaced a legacy lighting system consisting of (487) 400 watt Metal Halide fixtures with (487) T8 Compact Modular high bays.

To further reduce energy consumption an Intelite® Plus integrated system was installed to allow for time-of-day control, ambient and motion control. Before food-candle range 24.2-27.6 FC at 458 watts consumed, after range of 20.5-33.9 using 132 watts at 60% power.

Annual Savings

Energy Savings	\$90,592
Displaced Energy	932,981 kWh
Displaced Capacity	158.81 kW

Environmental Impact

Carbon Dioxide Reduction	603.2 tons/year
Acres of Trees Planted	171.2/year
Gallons of Gas Saved	77,018.5/year
